Dear Canada India Foundation, Hindu Federation and Tamarind Bistro,

I would like to take a moment to thank the Canada India Foundation, Hindu Federation and Tamarind Bistro for your thoughtful donation of meals for the Milton District Hospital. It means so much to both myself and to our frontline staff that you took the time to reach out to support them in their work. They are truly touched by the generosity that you have shown to them.

Your support has more of an impact than you may realize. When our healthcare providers see that our community is behind them, it motivates them to tirelessly care for their patients and meet this unprecedented challenge. The meals you provided to the Front Line workers helped by nourishing their bodies and lifting their spirits. I appreciate that at a time when many people are feeling anxious, you have stepped up as a leader and a supporter of our hospital.

Thank you for your compassion and for your commitment to healthcare in our community.

Sincerely,

Helen Vatistas
Executive Director
