Dear Mr. Shah:

Thank you very much for the Canada India Foundation's support of Sunnybrook. We are most grateful for your generous donation of 1,000 meals from Tamarind Restaurant for our front-line staff.

Since the outbreak of the COVID-19 pandemic, our health care professionals have been working tirelessly to treat and stop the spread of this virus, often putting their own lives at risk to keep our patients safe. Thanks to your generosity, we were able to offer staff a much-needed moment of joy and nourishment. Everyone who took part was extremely touched by this demonstration of support, and left with a smile on their face.

Again, thank you for this very special gift to Sunnybrook's front-line workers. It is important for them to know their community appreciates their hard work and bravery during these difficult times.

Yours sincerely,

Dr. Jon S. Dellandrea, C.M.
